

An issue has been identified with missing cases while testing new WPR reports. Fixes are currently underway; however, additional testing will be needed for these reports.

As a result, we anticipate the WPR reports will be published at the end of March. The new WPR reports will replace the following reports:

- FReD Report 01 - WPR with CMF plus split out
- FReD Report 01 - Work Participation Rates
- FReD Report 01A - Work Participation Detail
- FReD Report 02 - Federal Fiscal Year Work Participation Rates
- WPR Report 02: Work Participation Detail by Contract Agency
- WPR Report 01: Work Participation Rates Summary by Contract Agency

We apologize for any inconvenience this may cause and thank you for your patience.
